## SHAMS TEXTILE MILLS LIMITED

### **PROFILE**

Shams Textile Mills Limited is a public limited company incorporated on January 10, 1968. The company is primarily engaged in the manufacturing and trading of high quality Yarn.

The Company initially setup up its composite project consisting of spinning, weaving, dyeing and finishing at Chiniot in 1968. The plant today comprises of 22,080 spindles having capacity of producing 400,000 Kg/month (approx.) of yarn. During the initial years of operations the management successfully marketed the cotton yarn, grey and finished fabrics produced from these facilities, generating substantial export business. These operations resulted in the manufacturing of premium quality products leading to higher profitability for the company.

The company successfully built enough reserves over time inducing the management to think about the expansion of its existing facilities. The Management therefore decided to increase its spindle age capacity to 46,320 by installing another spinning unit at Sheikhupura Road near Shahkot. The facility started its commercial production in August 01, 1994 and ever since has contributed positively to the results of the company.

Our 17,136 spindle-spinning unit located at Shahkot has the capacity of producing 500,000 Kg (approx.) of the finest Knitting and weaving yarns monthly. Our strength is our commitment to customer satisfaction. Every product passes stringent quality control tests conducted on highly sophisticated machinery before it is dispatched to a customer.

The Company has grown steadily and has distinction of being associated with several prestigious local and foreign firms. The modern yet conservative policies of the company helped in attracting investment in the form of equity participation and loans. The weaving, dyeing and finishing facilities have been shut down with the passage of time due to lower profitability and the management's decision to primarily focus on the spinning business which has always been the company's strength.

The specialized yarn based new spinning unit of 12,096 spindles has been added to existing facilities of the Company at Shahkot to cater the demand of coarse count Slub, Multi and Lycra yarns. The plant started its commercial production in January 2006.

Shams Textile Mills Limited is managed by people who have had vast experiences in the textile sector. The management is constantly looking to avail opportunities in the field of textiles and to grow on its strengths. It has a low cost and growth driven approach to its businesses and is looking to grow further on the same policies.

## MISSION / VISION STATEMENT

#### **Our Business**

We are a manufacturing organization operating integrated spinning and weaving facilities in textile industry and our end products are sold to international and national customers.

#### **Vision of Future Business**

We are committed to becoming the premier manufacturing organization in the textile industry maintaining market leadership in the present business and diversifying into value added projects with the object of maximizing returns for all the stakeholders.

### **Our Strengths**

We have made pioneering efforts in development of new products, which has enabled us to emerge as a market leader. This together with an innovative and professional management style has helped us to build a strong and financially sound base.

### **Our Strategy**

We are determined to convert our vision into reality by using innovation to create a market niche for our products and by investing in facilities, people, systems and new technology, diversification into value addition and improvements in productivity and service to customers.

We shall aggressively exploit new markets by drawing strength from our corporate image and by promoting a culture that encourages initiatives at all levels of decision-making.

#### **Our Values**

- We take pride in adhering to ethical business practices and in being a good corporate citizen.
- We respect our people and endeavor to provide them opportunities to realize their full potential.
- We recognize our responsibility to our stakeholders and society.

|------------|--|--|----------------------|
| 1          | Nomination Committee  The Board may constitute a separate committee, designated as the nomination committee, of such number and class of directors, as it may deem appropriate in its circumstances.   | Currently, the Board has not constituted a <b>separate</b> nomination committee and the functions are being performed by the human resource and remuneration committee. The Board shall consider to constitute <b>separate</b> nomination committee after next election of directors.            | 29                   |
| 2          | Disclosure of significant policies on website  The Company may post key elements of its significant policies, brief synopsis of terms of reference of the Board's committees on its website and key elements of the directors' remuneration policy.                                    | Although these are well circulated among the relevant employees and directors, the Board shall consider posting such policies and synopsis on its website in near future.  | 35                   |
| 3          | Responsibilities of the Board and its members  The Board is responsible for adoption of corporate governance practices by the company.   | Non-mandatory provisions of the Regulations are partially complied. The company is deliberating on full compliance with all the provisions of the Regulations.   | 10(1)                |
| 4          | Directors' Training It is encouraged that by 30 June 2022, all directors on the Board have acquired the prescribed certification under any director training program offered by institutions, local or foreign, that meet the criteria specified by the Commission and approved by it. | Five directors of the company are exempt from Directors' training program and one director of the Company has acquired Directors' Training Program certification. The company has planned to arrange Directors' Training Program certification for remaining two directors before June 30, 2024. | 19(1)                |
| 5          | Directors' Training Companies are encouraged to arrange training for at least one head of department every year under the Directors' Training Program from July 2022.  | The company has planned to arrange Directors' Training Program certification for head of department in next few years.   | 19(3)                |
| 6          | Representation of Minority shareholders The minority members as a class shall be facilitated by the Board to contest election of directors by proxy solicitation.  | No one intended to contest election as director representing minority shareholders.  | 5                    |

20. The two elected independent directors have requisite competencies, skills, knowledge and experience to discharge and execute their duties competently, as per applicable laws and regulations. As they fulfill the necessary requirements as per applicable laws and regulations, hence, appointment of a third independent director is not warranted.

28 September, 2023 Lahore

#### CHAIRMANS' REVIEW REPORT

I am delighted to share the Chairman's Review Report of our company for the fiscal year ending on 30 June 2023.

#### **Economic Overview**

During the year under review, Pakistan faced significant economic hurdles. Escalating inflation and a depreciating currency marked the economic landscape. The State Bank of Pakistan's response, a tightened monetary policy, led to a significant increase in the policy rate. These factors jointly stifled industrial growth and led to a consistent decrease in exports. A notable reduction in home remittances further exacerbated the strain on the currency.

The year also brought challenges in energy prices and availability, negatively impacting export industries. The cotton output of Pakistan settled at around 5 million bales, majorly impacted by harsh rains and floods. Foreign exchange reserves continued their downward slide, and a substantial trade deficit persisted. Looking ahead, the nation anticipates ongoing trials related to imports, inflation, and currency volatility. This challenging economic climate has dulled investor confidence, reflected in the tepid performance of PSX throughout the year.

### **Corporate Governance**

Shams Textile meticulously adheres to all stipulated guidelines in the Companies Act, 2017, and the Listed Companies (Code of Corporate Governance) Regulations, 2019. These guidelines pertain to the structure, functions, and meetings of the Board of Directors and its committees. A yearly evaluation of the Board ensures alignment with the company's objectives and the identification and planning of areas requiring improvement.

The Board's performance for the year, when evaluated based on established criteria, proved satisfactory. Key highlights include:

- **Diversity and Mix**: The Board, with its varied composition of executive, non-executive, and independent directors, actively participated in essential decisions, ensuring diverse perspectives in board deliberations.
- **Engagement in Strategic Planning**: The Board's comprehensive understanding and strategic vision for stakeholder service and the company's future development are noteworthy. Significant time is invested in strategic planning, setting annual goals for various performance sectors.
- **Diligence**: Board members have diligently executed their responsibilities, thoroughly reviewing and approving diverse organizational facets, including business strategies and financial statements. Frequent board meetings ensure the effective discharge of these duties.
- **Monitoring of Organizational Activities**: Regular updates on the company's objectives and performance are provided through presentations by management, auditors, and other consultants. This practice allows the Board to offer timely and appropriate oversight and direction.
- **Governance and Control Environment**: The Board's emphasis on effective governance is evident in the robust and transparent governance system in place. Adherence to the best practices of corporate governance and the promotion of ethical conduct throughout the company further underscore this commitment.

In conclusion, I express my heartfelt appreciation to all shareholders for their sustained trust in our Company. The entire Board and I also extend our gratitude to every member of the STML team for their unwavering support and dedication. Despite the present challenges, our focus on effective management bolsters our confidence in enhancing shareholder value in the forthcoming times.

MUHAMMAD ANWAR (CHAIRMAN)

28 SEPTEMBER, 2023

# چيئر مين کا تجزيه

میں 30 جون 2023ء کواختیام پذیر سال کے لئے چیئر مین کی تجزیاتی رپورٹ از راہِ مسرت پیش کرتا ہوں۔

# اقتصادي جائزه

زیر جائزہ سال کے دوران پاکتان شدید معاشی مشکلات کا شکار ہا۔ بڑھتی ہوئی مہنگائی اور کرنسی کی قدر میں کمی نے اقتصادی ڈھانچے کو جمنجھوڑ کرر کھ دیا۔ جس کے جواب میں اسٹیٹ بنک آف پاکتان نے مانیٹری پالیسی کو سخت کرتے ہوئے پالیسی کی شرح میں اضافہ کردیا۔ بیٹوائل صنعتی ترقی میں بہت بڑی رکاوٹ ہیں جس کے باعث برآ مدات میں نمایاں کمی واقع ہوئی ہے۔ ترسیلات زرمیں نمایاں کمی نے کرنسی پر دباؤمیں مزید اضافہ کیا ہے۔

نہ کورہ سال کے دوران توانائی کی قیتوں اور دستیا بی جیسے مسائل بھی جاری رہے جس نے برآ مدی صنعتوں پر شفی اثرات مرتب کئے ہیں۔ پاکستان کی کپاس کی پیداوار تقریباً 5 ملین بیلز رہی جس کی بنیادی وجہ شدید بارشیں اور سیلاب ہیں۔ غیر ملکی زرمبادلہ کے ذخائر میں کمی کا ربحان جاری رہا جس کے باعث بھاری تجارتی خسارے کے بادل منڈلاتے رہے۔ مستقبل پر نظر دوڑا کیس تو قوم درآ مدات، منہ گائی اور کرنی کی قیت میں عدم استحکام جیسی آنہ ماکشوں کا سامنا کرتی رہے گی۔اس مشکل ترین معاثی ماحول نے سرمایہ داروں کے اعتاد کو شیس پہنچائی ہے جس کے باعث نہ کورہ سال کے دوران PSX کی کارکردگی انتہائی مایوس کن رہی۔

# كار بوريث گورننس

سٹس ٹیکسٹائک کمپینز ایکٹ 2017ء اور لسٹر کمپینز (کوڈ آف کارپوریٹ گورنس) ضوابط 2019ء میں بیان کردہ ہدایات پڑمل درآمد کے لئے کوشاں ہے۔ یہ ہدایات بورڈ آف ڈائر بیٹرز اور اس کی کمیٹیوں کے ڈھانچی، فرائض اور اجلاس سے متعلق ہیں۔ بورڈ کا سالانہ جائزہ بہتری کے حامل شعبوں کی نشاندہی کی پلاننگ اور کمپنی کے مقاصد کے ساتھ ہم آ ہنگی کویقینی بنا تاہے۔

سال بھر میں بورڈ کی کاررکردگی ، طےشدہ معیار کےمطابق جائزہ کی بنیاد پر تسلی بخش قراریائی۔اہم جھلکیاں حسب ذیل ہیں:

- تنوع اور کمس: بورڈ ایگزیکٹو، نان-ایگزیکٹواورخود مختار ڈائزیکٹرز پر شتمل ہے۔ جواہم فیصلوں میں فعال کردارادا کرتے ہیں تا کہ بورڈ کےغوروخوض میں متنوع خیالات سے متنوع خیالات س
- اسٹر پیخبگ ب**لاننگ میں شمولیت**: بورڈ کی وسیع سوجھ بوجھ اور اسٹیک ہولڈرز کے لئے اسٹر پیخبگ ویژن اور کمپنی کی ترقی کی منصوبہ بندی انتہائی قابل تعریف سے۔متعدد شعبوں میں اسٹر پیخبگ بلاننگ اور سالانہ اہداف وضع کرنے کے لئے خاطرخواہ وقت صرف کیاجا تا ہے۔
- پیستی: بورڈ اراکین انتہائی چستی و پھرتی ہے اپنی ذمہ داریاں سرانجام دینے ،متنوع ادارہ جاتی امپداف بشمول کاروباری حکمت عملی و مالیاتی الٹیٹمنٹس پرنظر ثانی اور منظوری دیتا ہے۔ کئی بورڈ اجلاس ان فرائض کی مؤثر انجام دہی کویقینی بناتے ہیں۔
- ادارہ جاتی سرگرمیوں کی نگرانی: کمپنی کے مقاصداور کارگردگی پر با قاعدہ آپ ڈیٹس انتظامیہ، آ ڈیٹرزاور دیگر نسلٹنٹس کی رپورٹس کے ذریعے دی جاتی ہیں۔ بیمل بورڈ کو بروفت اورموز وں بصیرت اور ہدایت فراہم کرنے کے قابل بنا تا ہے۔
- گورننس اور کنٹرول اینوائر نمنٹ: مؤثر گورننس پر بورڈ کی بھر پورتوجہ مر بوط اور شفاف گورننس سٹم سے عیاں ہے۔ کمپنی بھر میں کار پوریٹ گورننس کی بہترین عمل داری اور ضابطۂ اخلاق کی ترویخ اس عزم کود ہراتا ہے۔

لب لباب یہ ہے کہ، میں تمام شیئر ہولڈرز کے ہماری کمپنی پرمسلسل بھروسہ کوصد ق دل سے خراج تحسین پیش کرتا ہوں۔ بورڈ اور میں STML ٹیم کے تمام اراکین کی بلافظل سپورٹ اور جذبے کو بھی قدر کی نگاہ سے دیکھتا ہے۔ حالیہ چیلنجز کے باوجود مؤثر انتظام پر ہماری توجہ آئندہ وقتوں میں شیئر ہولڈڑ زکو بھر پورمنا فع دینے کے لئے ہماری حوصلہ افزائی کرتی ہے۔

(چيئرمين)

28 ستمبر 2023ء

### **DIRECTORS' REPORT**

The Directors of the Company present their Report along with the Audited Financial Statements of the Company and Auditors' Report thereon for the year ended 30 June 2023.

#### **Financial Review:**

A brief financial analysis is presented as under:

#### **Rupees in millions**

| Income Statement                   | 2023     | 2022     | % Change |
|------------------------------------|----------|----------|----------|
| Sales                              | 3,309    | 8,674    | (61.86)  |
| Gross (Loss)/profit                | (54.61)  | 639.86   | (108.53) |
| Operating (Loss)/profit            | (97.06)  | 462.22   | (121.00) |
| Finance cost                       | (10.66)  | (96.54)  | (88.96)  |
| (Loss)/Profit before taxation      | (107.72) | 365.68   | (129.46) |
| Taxation                           | (47.58)  | (145.53) | (67.31)  |
| Net (Loss)/Profit                  | (153.30) | 220.15   | (169.63) |
| (Loss)/Earnings<br>per share (EPS) | (17.74)  | 25.48    |          |

Your Company suffered a gross (loss) of Rs. (54.61) million compared to gross profit of Rs. 639.86 million of previous financial year. Gross loss was primarily due to increase in raw material costs and a capacity shutdown at two out of the three manufacturing units. Finance cost decreased by 88.96% in comparison to last year caused by decrease in average borrowings. Income tax provision decreased by 67.31% due to decrease in turnover during the period.

#### CORPORATE SOCIAL RESPONSIBILITY (CSR)

The Company strongly believes in integration of corporate social responsibility into its business. The Company maintains world class occupational health and safety standards because we consider well-being of our employees as prime responsibility. We provide the facility of in-house dispensaries supervised by qualified doctors at all our production facilities. The Company also owns and operates firefighting equipment's and have maintenance certificate regarding it. The company is also certified under various social compliance programs to ensure worker health and safety as well as goals to decrease our carbon footprint.

#### **FINANCIAL RISK MANAGEMENT**

The company's activities expose it to a variety of financial risks: market risk (including currency risk, other price risk and interest rate risk), credit risk and liquidity risk. The Company's overall risk management program focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the financial performance. Risk management is carried out by the Company's finance department under policies approved by the Board of Directors. The Company's finance department evaluates and hedges financial risk management, as well as policies covering specific areas such as currency risk, other price risk,

interest rate risk, credit risk, liquidity risk.

#### **Financial Statements**

As required under regulation 25 of Listed Companies (Code of Corporate Governance) Regulations, 2019 ("CCG Regulations, 2019"), the Chief Executive Officer and the Chief Financial Officer present the financial statements, duly endorsed under their respective signatures, for consideration and approval of the Board of Directors (Board), after consideration and approval, the Board authorize the signing of financial statements for issuance and circulation. The financial statements of the Company have been duly audited by the Messrs. Riaz Ahmad & Co, Chartered Accountants and their report is attached with the financial statements. They have issued an unqualified report to the members.

#### **Auditors**

The auditors Messrs. Riaz Ahmad & Co., Chartered Accountants, retire and offer themselves for re-appointment for the FY 2024. The Audit Committee has recommended their re-appointment which has been endorsed by the Board for shareholders consideration and approval at the forthcoming annual general meeting.

#### **Subsequent Events**

No material changes and commitments affecting the Financial Position of the Company have occurred between the end of the financial year to which these financial statements relate and the date of the Director's Report.

### **Pattern of Shareholding**

Pattern of shareholding of the Company, as required by section 227(2)(f) of the Companies Act. 2017 as at June 30, 2023 is annexed with this report.

#### **Statement of Compliance with COCG**

The Company has compiled with requirements of the Listed Companies (Code of Corporate Governance) Regulations 2019 in material respect. Statement to this effect is annexed with this report.

#### **Related Party Transactions**

All the related party transactions are entered on arm's length basis in the ordinary course of business and are in compliance with the applicable provisions of the Companies Act, 2017. All related party transactions during the FY 2023 were placed before the Audit Committee and the Board for their review and approval. These transactions were reviewed by the Audit Committee and approved by the Board.

#### **Directors and Board Meetings**

Board of STML comprises of 07(Male) and 01(Female) Directors. The composition of the Board is provided below:

| S.<br>No. | Category                | Name                          |
|-----------|-------------------------|-------------------------------|
| 1         | Independent Directors   | Mr. Shahid Arshad             |
|           |                         | Mrs. Minail Mishal Adamjee    |
| 2         | Non-Executive Directors | Mr. Muhammad Anwar (Chairman) |
|           |                         | Mr. Khurram Mazhar Karim      |
|           |                         | Mr. Adil Bashir               |
|           |                         | Mr. Muhammad Shafiq Gill      |
| 3         | Executive Directors     | Mr. Khalid Bashir (CEO)       |
|           |                         | Mr. Asif Bashir               |

#### **Meetings of the Board of Directors**

Five meetings of the Board of Directors were held during the year 2022-23. Attendance of Directors in meetings of BOD is provided as under:

| Sr. No. | Name of Director          | Meetings Attended |
|---------|---------------------------|-------------------|
| 1.      | Mr. Muhammad Anwar        | 05                |
| 2.      | Mr. Khalid Bashir         | 05                |
| 3.      | Mr. Asif Bashir           | 05                |
| 4.      | Mr. Adil Bashir           | 02                |
| 5.      | Mr. Khurram Mazhar Karim  | 05                |
| 6.      | Mr. Shahid Arshad         | 05                |
| 7.      | Mr. Mohammad Shafiq Gill  | 05                |
| 8.      | Mrs. Minal Mishal Adamjee | 05                |

However, leave of absence was granted to the Directors who could not attend the Board Meetings due to preoccupations.

#### **Directors' Remuneration**

The Board of Directors has devised a directive for determination of remuneration. Its salient features are stated as follow:

- The company will not pay any remuneration to its Non-Executive Directors except as meeting fee for attending the Board and its Committee Meetings.
- The remuneration of directors & meeting fee for attending meeting of the Board of Directors or its committees shall be determined and approved by the Board of Directors.
- The remuneration of Directors is paid as approved by the Board of Directors. The remuneration package is designed to attract suitable candidate and talent on the Board.

A Director is provided or reimbursed for all travelling, boarding, lodging, and other expenses incurred by him for attending meetings of the Board, its committees and General Meetings of the company.

Details of remuneration paid to executive directors of the company for the FY 2023, as required under regulation 34(3) of the Code of Corporate Governance Regulations, 2019; is annexed with this report.

#### **Board Committees & Meetings**

Following are the details of Committees of the Board of STML and their Meetings.

#### **Audit Committee**

The Board of Directors in compliance to the Code of Corporate Governance has established an Audit Committee and the following directors are its members. Four audit committee meetings were held:

| Sr. No. | Name of Member               | Meetings<br>Attended |
|---------|------------------------------|----------------------|
| 1.      | Mr. Shahid Arshad (Chairman) | 04                   |
| 2.      | Mr. Khurram Mazhar Karim     | 04                   |
| 3.      | Mr. Adil Bashir              | 02                   |

However, leave of absence was granted to the members who could not attend the meeting(s) due to preoccupation.

#### **Human Resource & Remuneration Committee**

The Board of Directors in compliance with the Code of Corporate Governance has established a Human Resource Nomination & Remuneration Committee, only one meeting was held during the financial year 2022-23. Following is the composition of Human Resource Nomination & Remuneration Committee:

| Sr. No. | Name of Members                       | Meetings<br>Attended |
|---------|---------------------------------------|----------------------|
| 1.      | Mrs. Minail Mishal Adamjee (Chairman) | 01                   |
| 2.      | Mr. Asif Bashir                       | 01                   |
| 3.      | Mr. Khurram Mazhar Karim              | 01                   |

### **Risk Committee**

| 1. | Mr. Asif Bashir (Chaiman) |
|----|---------------------------|
| 2. | Mr. Shahid Arshad         |
| 3. | Mr. Khurram Mazhar Karim  |

#### **Adequacy of Internal & Financial Controls**

The Board of Directors has established an effective system of Internal & Financial Controls that ensure:

- Effective and efficient conduct of operations.
- Safeguarding company's assets.
- Compliance with applicable Laws and Regulations.
- Reliable Financial Reporting.

The Independent Internal Audit Function of Shams Textile Mills Limited is outsourced to Tahir Consulting that regularly appraises and monitors the implementation of standard Operating Procedures. Internal Audit Reports are presented to the Audit Committee quarterly, as per approved Annual Internal Audit Plan. Accordingly, the Audit Committee reviews the effectiveness of the internal control framework and financial statements in its meetings.

### **Performance Evaluation of Board of Directors**

The evaluation of the Board's role of oversight and its effectiveness is a continual process, which is appraised by the Board itself. The core areas of focus are:

- Alignment of corporate goals and objectives with the vision and mission of the Company.
- Strategy formulation and planning for sustainable operation.
- The Board's independence and effectiveness.

Individual feedback was obtained and based on that feedback, the average rating of the performance of the Board and role of the Chairman regarding governing the Board was found up to the mark.

# Statement on Corporate and Financial Reporting Framework:

- **a.** Financial statements prepared by Company's management present fairly its state of affairs, results of its operations, cash flows and changes in equity;
- **b.** Proper books of accounts have been maintained;
- c. Appropriate accounting policies have been consistently applied in the preparation of financial statements and accounting estimates are based on reasonable and prudent judgment;
- **d.** International Financial Reporting Standards (IFRSs) and Islamic Financial Accounting Standards (IFASs), as applicable in Pakistan, have been followed in preparation of financial statements and any departure there from has been adequately disclosed and explained;
- **e.** The Company has sound potentials to continue as going concern;
- **f.** There has been no material departure from best practices of corporate governance;
- Gutstanding taxes and levies are given in the Notes to the Financial Statements;
- h. The majority of the Board members have the prescribed qualifications and experience required for exemption from training program of Directors. All Directors are fully conversant with their duties and responsibilities as Directors of corporate bodies.

#### **Future Outlook**

Although there are many challenges faced by the company, we are committed to perform in best possible manner and add value to our stakeholders to meet the long-term goals of the Company. For improving quality of our products and get a premium on selling prices we will continue to upgrade plant and machinery with the prime objective of reducing imbalance and inefficiencies and improving product quality consistently.

#### **Acknowledgement**

The Board of Directors would like to thank all stakeholders of the company including, customers, shareholders, vendors, government agencies, banks, and all other business associates for their continued support during the year. The Board also recognizes the contribution made by a very dedicated team who served the Company with enthusiasm, and hopes that the same spirit of devotion shall remain intact in the future as well.

For and on behalf of the Board of Directors

Khalid Bashir Chief Executive **Asif Bashir** Director

# INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF SHAMS TEXTILE MILLS LIMITED

Review Report on the Statement of Compliance contained in Listed Companies (Code of Corporate Governance) Regulations, 2019

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2019 (the Regulations) prepared by the Board of Directors of Shams Textile Mills Limited (the Company) for the year ended 30 June 2023 in accordance with the requirements of regulation 36 of the Regulations.

The responsibility for compliance with the Regulations is that of the Board of Directors of the Company. Our responsibility is to review whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Regulations.

As a part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Regulations require the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the requirements contained in the Regulations as applicable to the Company for the year ended 30 June 2023.

# INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SHAMS TEXTILE MILLS LIMITED

### **Report on the Audit of the Financial Statements**

### **Opinion**

We have audited the annexed financial statements of Shams Textile Mills Limited (the Company), which comprise the statement of financial position as at 30 June 2023, and the statement of profit or loss, the statement of comprehensive income, the statement of changes in equity, the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion and to the best of our information and according to the explanations given to us, the statement of financial position, the statement of profit or loss, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan and give the information required by the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively give a true and fair view of the state of the Company's affairs as at 30 June 2023 and of the loss, other comprehensive loss, the changes in equity and its cash flows for the year then ended.

### **Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements section* of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following are the Key audit matters:

#### How the matters were addressed in our audit **Key audit matters** No. 1. **Inventory existence and valuation** Inventory as at 30 June 2023 amounted to Our procedures over existence and valuation of Rupees 722.236 million and represented a inventory included, but were not limited to: material position in the statement of financial position, break up of which is as follows: To test the quantity of inventories at all locations, we assessed the corresponding inventory observation instructions and Stores and spare parts amounting to Rupees 92.730 million participated in inventory counts on sites. Based on samples, we performed test Stock-in-trade amounting to Rupees counts and compared the quantities 629,506 million counted by us with the results of the counts of the management; Inventory is measured at the lower of cost and net realizable value. For a sample of inventory items, reperformed the weighted average cost We identified existence and valuation of calculation and compared the weighted inventory as a key audit matter due to its size, average cost appearing on valuation representing 29.38% of the total assets of the sheets; Company as at 30 June 2023, and the judgment involved in valuation. We tested that the ageing report used by management correctly aged inventory For further information on inventory, refer to the items by agreeing a sample of aged inventory items to the last recorded following: transaction: Summary of significant accounting policies, Inventories note 2.11 to the On a sample basis, we tested the net financial statements. realizable value of inventory items to recent selling prices and re-performed the calculation of the inventory write down, if Stores and spare parts note 15 and stock-in-trade note 16 to the financial any; statements. In the context of our testing of the calculation, we analyzed individual cost components and traced them back to the corresponding underlying documents. We furthermore challenged changes in unit We also made inquiries of management, including those outside of the finance function, and considered the results of our testing above to determine whether any specific write downs were required.

### Information Other than the Financial Statements and Auditor's Report Thereon

Management is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Act, 2017 (XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of directors are responsible for overseeing the Company's financial reporting process.

## Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud
  or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is
  sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
  misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve
  collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that
  are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
  effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the board of directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the board of directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

Based on our audit, we further report that in our opinion:

- a) proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);
- b) the statement of financial position, the statement of profit or loss, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;
- c) investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business; and
- d) no Zakat was deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980).

The engagement partner on the audit resulting in this independent auditor's report is Syed Mustafa Ali.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

#### 1. THE COMPANY AND ITS OPERATIONS

- **1.1** Shams Textile Mills Limited ("the Company") is a public limited Company incorporated in Pakistan under the Companies Act, 1913 (Now Companies Act, 2017) and is listed on Pakistan Stock Exchange Limited. Its registered office is situated at 7-B-III, Aziz Avenue, Gulberg V, Lahore. The Company is engaged in the business of manufacturing, sale and trading of yarn and trading of cloth.
- **1.2** Geographical location and addresses of all business units are as follows:

| Manufacturing units and offices | Address  |
|---------------------------------|--|
| Manufacturing units:            |  |
| Spinning unit I                 | 3-KM, Faisalabad Road, Chiniot                                 |
| Spinning units II and III       | KotlaKahloon, District Nankana Sahib                           |
| Registered and head office      | 7- B-III, Aziz Avenue, Gulberg V, Lahore                       |
| Office                          | 1st Floor, 949 Regency Arcade, Mall Road, Faisalabad           |
| Office                          | Office No. 801, Tricon Corporate Centre, 73, Jail Road, Lahore |

1.3 Two out of three manufacturing units of the Company are temporarily closed since 11 March 2022 and 18 April 2022 in view of low demand for yarn and cotton prices. The management has carried out a going concern assessment of the Company and believes that the going concern assumption used for the preparation of these financial statements is appropriate and no material uncertainty exists. The assessment is based on: positive working capital and firm commitment to start operations of two manufacturing units very shortly as the sale rates of yarn are now aligned with cotton price; availability of borrowing limits (funded) from financial institutions amounting to Rupees 991.702 million as at the reporting date for procurement of cotton; and chief executive of the Company, his spouse and his son (executive director) are committed to support the Company to continue as a going concern. As at the reporting date, the balance due to chief executive of the Company, his spouse and his son (executive director) is interest free and they have provided support to the Company. Accordingly, no material uncertainties leading to a significant doubt about going concern have been identified.

#### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented, unless otherwise stated:

### 2.1 Basis of preparation

#### a) Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRSs) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017; and
- Provisions of and directives issued under the Companies Act, 2017.
  - Where provisions of and directives issued under the Companies Act, 2017 differ from the IFRSs, the provisions of and directives issued under the Companies Act, 2017 have been followed.

#### b) Accounting convention

These financial statements have been prepared under the historical cost convention except as otherwise stated in the respective accounting policies.

#### c) Critical accounting estimates and judgements

The preparation of financial statements in conformity with the approved accounting standards requires the use of certain critical accounting estimates. It also requires the management to exercise its judgement in the process of applying the Company's accounting policies. Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The areas where various assumptions and estimates are significant to the Company's financial statements or where judgements were exercised in application of accounting policies are as follows:

### Useful lives, patterns of economic benefits and impairments

Estimates with respect to residual value and useful lives and pattern of flow of economic benefits are based on the analysis of the management of the Company. Further, the Company reviews the value of assets for possible

## NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2023

impairment on an annual basis. Any change in the estimates in the future might affect the carrying amount of respective item of property, plant and equipment with a corresponding effect on the depreciation charge and impairment.

#### **Inventories**

Inventory write-down is made based on the current market conditions, historical experience and selling goods of similar nature. It could change significantly as a result of changes in market conditions. A review is made on each reporting date on inventories for excess inventories, obsolescence and declines in net realisable value and an allowance is recorded against the inventory balances for any such declines.

#### **Taxation**

In making the estimates for income tax currently payable by the Company, the management takes into account the current income tax law and the decisions of appellate authorities on certain issues in the past.

#### **Future estimation of export sales**

Deferred income tax calculation has been based on estimate of future ratio of export and local sales.

#### Allowance for expected credit losses

The allowance for expected credit losses (ECLs) assessment requires a degree of estimation and judgement. It is based on the lifetime expected credit loss, grouped based on days overdue, and makes assumptions to allocate an overall expected credit loss rate for each group. These assumptions include recent sales experience and historical collection rates.

#### Revenue from contracts with customers involving sale of goods

When recognizing revenue in relation to the sale of goods to customers, the key performance obligation of the Company is considered to be the point of delivery of the goods to the customer, as this is deemed to be the time that the customer obtains control of the promised goods and therefore the benefits of unimpeded access.

#### **Provisions**

As the actual outflows can differ from estimates made for provisions due to changes in laws, regulations, public expectations, technology, prices and conditions, and can take place many years in the future, the carrying amounts of provisions are reviewed at each reporting date and adjusted to take account of such changes. Any adjustments to the amount of previously recognised provision is recognised in the statement of profit or loss unless the provision was originally recognised as part of cost of an asset.

#### **Contingencies**

The Company reviews the status of all pending litigations and claims against the Company. Based on the judgment and the advice of the legal advisors for the estimated financial outcome, appropriate disclosure or provision is made. The actual outcome of these litigations and claims can have an effect on the carrying amounts of the liabilities recognized at the statement of financial position date.

# d) Amendments to published approved accounting standards that are effective in current year and are relevant to the Company

Following amendments to published approved accounting standards are mandatory for the Company's accounting periods beginning on or after 01 July 2022:

- Amendments to IAS 16 'Property, Plant and Equipment' Proceeds before Intended Use'.
- Amendments to IAS 37 'Provisions, Contingent Liabilities and Contingent Assets' Onerous Contracts Cost of Fulfilling a Contract which amended IAS 1 'Presentation of Financial Statements'.
- Annual improvements to IFRS standards 2018-2020 which amended IFRS 9 'Financial Instruments' and IFRS 16 'Leases'.
- 'Reference to the Conceptual Framework (Amendments to IFRS 3)' published by the International Accounting Standards Board (IASB) with amendments to IFRS 3 'Business Combinations'.

The above-mentioned amendments to approved accounting standards did not have any impact on the amounts recognised in prior period and are not expected to significantly affect the current or future periods.

# e) Amendments to published approved accounting standards that are effective in current year but not relevant to the Company

There are amendments to published standards that are mandatory for accounting periods beginning on or after 01 July 2022 but are considered not to be relevant or do not have any significant impact on the Company's financial statements and are therefore not detailed in these financial statements.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

# f) Amendments to published approved accounting standards that are not yet effective but relevant to the Company

Following amendments to existing standards have been published and are mandatory for the Company's accounting periods beginning on or after 01 July 2023 or later periods:

Classification of liabilities as current or non-current (Amendments to IAS 1 'Presentation of Financial Statements') effective for the annual period beginning on or after 01 January 2023. These amendments in the standards have been added to further clarify when a liability is classified as current. The standard also amends the aspect of classification of liability as non-current by requiring the assessment of the entity's right at the end of the reporting period to defer the settlement of liability for at least twelve months after the reporting period. An entity shall apply those amendments retrospectively in accordance with IAS 8 'Accounting Policies, Changes in Accounting Estimates and Errors'.

Disclosure of Accounting Policies (Amendments to IAS 1 'Presentation of Financial Statements' and IFRS Practice Statement 2 'Making Materiality Judgement') effective for annual periods beginning on or after 01 January 2023. These amendments are intended to help preparers in deciding which accounting policies to disclose in their financial statements. Earlier, IAS 1 states that an entity shall disclose its 'significant accounting policies' in their financial statements. These amendments shall assist the entities to disclose their 'material accounting policies' in their financial statements.

Deferred Tax related to Assets and Liabilities arising from a Single Transaction (Amendments to IAS 12 'Income taxes') effective for annual periods beginning on or after 01 January 2023. These amendments clarify how companies account for deferred tax on transactions such as leases and decommissioning obligations.

Change in definition of Accounting Estimate (Amendments to IAS 8 'Accounting Policies, Changes in Accounting Estimates and Errors') effective for annual periods beginning on or after 1 January 2023. This change replaced the definition of Accounting Estimate with a new definition, intended to help entities to distinguish between accounting policies and accounting estimates.

On 31 October 2022, the IASB issued 'Non-current Liabilities with Covenants (Amendments to IAS 1)' to clarify how conditions with which an entity must comply within twelve months after the reporting period affect the classification of a liability. The amendments are effective for reporting periods beginning on or after 1 January 2024.

On 22 September 2022, the IASB issued 'Lease Liability in a Sale and Leaseback (Amendments to IFRS 16)' with amendments that clarify how a seller-lessee subsequently measures sale and leaseback transactions that satisfy the requirements in IFRS 15 to be accounted for as a sale. The amendments are effective for annual periods beginning on or after 1 January 2024.

On 25 May 2023, the IASB issued 'Suppliers Finance Arrangements (Amendments to IAS 7 and IFRS 7)' to add disclosure requirements, and 'signposts' within existing disclosure requirements, that ask entities to provide qualitative and quantitative information about supplier finance arrangement. The amendments are effective for the reporting period beginning on or after 1 January 2024.

Amendments to IFRS 10 'Consolidated Financial Statements' and IAS 28 'Investments in Associates and Joint Ventures' (deferred indefinitely) to clarify the treatment of the sale or contribution of assets from an investor to its associates or joint venture, as follows: require full recognition in the investor's financial statements of gains and losses arising on the sale or contribution of assets that constitute a business (as defined in IFRS 3 'Business Combinations'); require the partial recognition of gains and losses where the assets do not constitute a business, i.e. a gain or loss is recognised only to the extent of the unrelated investors' interests in that associate or joint venture. These requirements apply regardless of the legal form of the transaction, e.g. whether the sale or contribution of assets occur by an investor transferring shares in a subsidiary that holds the assets (resulting in loss of control of the subsidiary), or by the direct sale of the assets themselves.

The above amendments and improvements are likely to have no significant impact on the financial statements.

#### Standards and amendments to approved published standards that are not yet effective and not considered relevant to the Company

There are other standards and amendments to published standards that are mandatory for accounting periods beginning on or after 01 July 2023 but are considered not to be relevant or do not have any significant impact on the Company's financial statements and are therefore not detailed in these financial statements.

#### 2.2 Property, plant and equipment

#### **Operating fixed assets**

Property, plant and equipment except freehold land and capital work-in-progress are stated at cost less accumulated

## NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2023

depreciation and any identified impairment loss. Freehold land and capital work-in-progress are stated at cost less any identified impairment loss. Cost of operating fixed assets comprises historical cost, borrowing cost pertaining to erection / construction period of qualifying assets and other directly attributable costs of bringing the assets to working condition. All expenditure connected with specific assets incurred during installation and construction period are carried under capital work-in-progress. These are transferred to operating fixed assets as and when these are available for use.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefit associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repair and maintenance costs are charged to statement of profit or loss during the period in which they are incurred.

Depreciation is charged to statement of profit or loss applying the reducing balance method so as to write off the cost of the assets over their estimated useful life at the rates given in note 11.1 to the financial statements. Depreciation on additions is charged from the month in which the asset is put to use, while for disposals depreciation is charged upto the month of disposal.

Useful life of assets are reviewed at each financial year end and if expectations differ from previous estimates the change is accounted for as change in accounting estimate in accordance with IAS 8 'Accounting Policies, Changes in Accounting Estimates and Errors'.

An item of property, plant and equipment is de-recognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset is included in the statement of profit or loss in the year the asset is de-recognized.

#### 2.3 Right-of-use assets

A right-of-use asset is recognized at the commencement date of a lease. The right-of-use asset is measured at cost less accumulated depreciation and accumulated impairment losses (if any). Cost comprises of the initial amount of the lease liability, adjusted for, as applicable, any lease payments made at or before the commencement date net of any lease incentives received, any initial direct costs incurred, and, except where included in the cost of inventories, an estimate of costs expected to be incurred for dismantling and removing the underlying asset, and restoring the site or asset.

Right-of-use assets are depreciated on a straight-line basis over the unexpired period of the lease or the estimated useful life of the asset, whichever is the shorter. Where the Company expects to obtain ownership of the leased asset at the end of the lease term, the depreciation is charged over its estimated useful life. Right-of use assets are subject to impairment or adjusted for any re-measurement of lease liabilities.

The Company has elected not to recognize a right-of-use asset and corresponding lease liability for short-term leases with terms of 12 months or less and leases of low-value assets. Lease payments on these assets are charged to income as incurred.

#### 2.4 Lease liabilities

A lease liability is recognized at the commencement date of a lease. The lease liability is initially recognized at the present value of the lease payments to be made over the term of the lease, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. Lease payments comprise of fixed payments less any lease incentives receivable, variable lease payments that depend on an index or a rate, amounts expected to be paid under residual value guarantees, exercise price of a purchase option when the exercise of the option is reasonably certain to occur, and any anticipated termination penalties. The variable lease payments that do not depend on an index or a rate are expensed in the period in which they are incurred.

Lease liabilities are measured at amortised cost using the effective interest method. The carrying amounts are remeasured if there is a change in the following: future lease payments arising from a change in an index or a rate used; residual guarantee; lease term; certainty of a purchase option and termination penalties. When a lease liability is re-measured, an adjustment is made to the corresponding right-of use asset, or to statement of profit or loss if the carrying amount of the right-of-use asset is fully written down.

### 2.5 Impairment of non-financial assets

Assets that have an indefinite useful life are not subject to depreciation and are tested annually for impairment. Assets that are subject to depreciation are reviewed for impairment at each statement of financial position date or whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount for which assets carrying amount exceeds its recoverable amount. Recoverable amount is the higher of an asset's fair value less costs to sell and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

(cash-generating units). Non-financial assets that suffered an impairment are reviewed for possible reversal of the impairment at each reporting date. Reversals of the impairment losses are restricted to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if impairment losses had not been recognized. An impairment loss or reversal of impairment loss is recognized in the statement of profit or loss.

#### 2.6 Investments and other financial assets

#### a) Classification

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those to be measured at amortized cost

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income. The Company reclassifies debt instruments when and only when its business model for managing those assets changes.

#### b) Measurement

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.

#### **Debt instruments**

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

#### **Amortized cost**

Financial assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Interest income from these financial assets is included in other income using the effective interest rate method. Any gain or loss arising on derecognition is recognised directly in profit or loss and presented in other income / (other expenses) together with foreign exchange gains and losses. Impairment losses are presented as separate line item in the statement of profit or loss.

#### Fair value through other comprehensive income (FVTOCI)

Financial assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVTOCI. Movements in the carrying amount are taken through other comprehensive income, except for the recognition of impairment losses (and reversal of impairment losses), interest income and foreign exchange gains and losses which are recognised in profit or loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in other comprehensive income is reclassified from equity to profit or loss and recognised in other income / (other expenses). Interest income from these financial assets is included in other income using the effective interest rate method. Foreign exchange gains and losses are presented in other income / (other expenses) and impairment losses are presented as separate line item in the statement of profit or loss.

### Fair value through profit or loss (FVTPL)

Assets that do not meet the criteria for amortised cost or FVTOCI are measured at FVTPL. A gain or loss on a debt instrument that is subsequently measured at FVTPL is recognised in profit or loss and presented net within other income / (other expenses) in the period in which it arises.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

#### **Equity instruments**

The Company subsequently measures all equity investments at fair value for financial instruments quoted in an active market, the fair value corresponds to a market price (level 1). For financial instruments that are not quoted in an active market, the fair value is determined using valuation techniques including reference to recent arm's length market transactions or transactions involving financial instruments which are substantially the same (level 2), or discounted cash flow analysis including, to the greatest possible extent, assumptions consistent with observable market data (level 3).

### Fair value through other comprehensive income (FVTOCI)

Where the Company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVTOCI are not reported separately from other changes in fair value.

#### Fair value through profit or loss

Changes in the fair value of equity investments at fair value through profit or loss are recognised in other income / (other expenses) in the statement of profit or loss as applicable.

Dividends from such investments continue to be recognised in profit or loss as other income when the Company's right to receive payments is established.

#### 2.7 Financial liabilities - classification and measurement

Financial liabilities are classified as measured at amortized cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in profit or loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognized in statement of profit or loss. Any gain or loss on de-recognition is also included in profit or loss.

#### 2.8 Impairment of financial assets

The Company recognizes loss allowances for ECLs on:

- Financial assets measured at amortized cost;
- Debt investments measured at FVOCI; and
- Contract assets.

The Company measures loss allowances at an amount equal to lifetime ECLs, except for the following, which are measured at 12-month ECLs:

- Debt securities that are determined to have low credit risk at the reporting date; and
- Other debt securities and bank balances for which credit risk (i.e. the risk of default occurring over the expected life of the financial instrument) has not increased significantly since initial recognition.

12-month ECLs are the portion of ECLs that result from default events that are possible within the 12 months after the reporting date (or a shorter period if the expected life of the instrument is less than 12 months).

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating ECLs, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Company's historical experience and informed credit assessment and including forward-looking information.

The Company assumes that the credit risk on a financial asset has increased significantly if it is more than past due for a reasonable period of time. Lifetime ECLs are the ECLs that result from all possible default events over the expected life of a financial instrument. 12-month ECLs are the portion of ECLs that result from default events that are possible within the 12 months after the reporting date (or a shorter period if the expected life of the instrument is less than 12 months). The maximum period considered when estimating ECLs is the maximum contractual period over which the Company is exposed to credit risk.

The Company has elected to measure loss allowances for trade debts using IFRS 9 simplified approach and has calculated ECLs based on lifetime ECLs. The Company has established a matrix that is based on the Company's historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment. When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating ECLs, the Company considers reasonable and supportable information that is

FOR THE YEAR ENDED JUNE 30, 2023

relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Company's historical experience and informed credit assessment including forward-looking information.

Loss allowances for financial assets measured at amortized cost are deducted from the gross carrying amount of the assets.

The gross carrying amount of a financial asset is written off when the Company has no reasonable expectations of recovering of a financial asset in its entirety or a portion thereof. The Company individually makes an assessment with respect to the timing and amount of write-off based on whether there is a reasonable expectation of recovery. The Company expects no significant recovery from the amount written off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Company's procedures for recovery of amounts due.

At each reporting date, the Company assesses whether financial assets carried at amortised cost and debt securities at FVTOCI are credit-impaired. A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

Evidence that a financial asset is credit-impaired includes the following observable data:

- significant financial difficulty of the debtor;
- a breach of contract such as a default;
- the restructuring of a loan or advance by the Company on terms that the Company would not consider otherwise;
- it is probable that the debtor will enter bankruptcy or other financial reorganization; or
- the disappearance of an active market for a security because of financial difficulties.

## 2.9 De-recognition of financial assets and financial liabilities

### a) Financial assets

The Company derecognizes a financial asset when the contractual rights to the cash flows from the asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred, or it neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control over the transferred asset. Any interest in such derecognized financial assets that is created or retained by the Company is recognized as a separate asset or liability.

## b) Financial liabilities

The Company derecognizes a financial liability (or a part of financial liability) from its statement of financial position when the obligation specified in the contract is discharged or cancelled or expires.

## 2.10 Offsetting of financial instruments

Financial assets and financial liabilities are set off and the net amount is reported in the financial statements when there is a legal enforceable right to set off and the Company intends either to settle on a net basis or to realize the assets and to settle the liabilities simultaneously.

### 2.11 Inventories

Inventories, except for stock in transit and waste stock are stated at lower of cost and net realizable value. Cost is determined as follows:

## Stores and spare parts

These are valued at moving average cost except for items in transit, which are valued at cost comprising invoice value plus other charges paid thereon. Provision is made against slow moving and obsolete items.

### Stock-in-trade

Cost of raw material, work-in-process and finished goods is determined as follows:

(i) For raw materials: At weighted average cost.

(ii) For work-in-process and finished goods: At average manufacturing cost including a proportion of production overheads.

Materials in transit are valued at cost comprising invoice value plus other charges paid thereon. Waste stock is valued at net realizable value.

Net realizable value signifies the estimated selling price in the ordinary course of business less the estimated costs of

FOR THE YEAR ENDED JUNE 30, 2023

completion and the estimated costs necessary to make a sale.

### 2.12 Trade debts and other receivables

Trade debts are initially recognised at fair value and subsequently measured at amortised cost using the effective interest method, less any allowance for expected credit losses.

Other receivables are recognised at amortised cost, less any allowance for expected credit losses.

## 2.13 Taxation

#### Current

Provision for current tax is based on the taxable income for the year determined in accordance with the prevailing law for taxation of income. The charge for current tax is calculated using prevailing tax rates or tax rates expected to apply to the profit for the year if enacted. The charge for current tax also includes adjustments, where considered necessary, to provision for tax made in previous years arising from assessments framed during the year for such years.

#### **Deferred**

Deferred tax is accounted for using the liability method in respect of all temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of the taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences and deferred tax assets to the extent that it is probable that taxable profits will be available against which the deductible temporary differences, unused tax losses and tax credits can be utilized.

Deferred tax is calculated at the rates that are expected to apply to the period when the differences reverse based on tax rates that have been enacted or substantively enacted by the reporting date. Deferred tax is charged or credited in the statement of profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

## 2.14 Cash and cash equivalents

Cash and cash equivalents comprise cash in hand, cash at banks on current, saving and deposit accounts and other short term highly liquid instruments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in values.

## 2.15 Borrowing cost

Interest, mark-up and other charges on long term finances are capitalized up to the date of commissioning of respective qualifying assets acquired out of the proceeds of such long term finances. All other interest, mark-up and other charges are recognized in the statement of profit or loss.

## 2.16 Share capital

Ordinary shares are classified as equity and recognised at their face value. Incremental costs directly attributable to the issue of new shares are shown in equity as a deduction, net of tax.

## 2.17 Trade and other payables

Liabilities for trade and other amounts payable are initially recognized at fair value, which is normally the transaction cost and subsequently measured at amortized cost using the effective interest method.

#### 2.18 Provisions

A provision is recognized when the Company has a present legal or constructive obligation as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of obligation.

## 2.19 Derivative financial instruments

Derivatives are initially recognized at fair value. Any directly attributable transaction costs are recognized in the statement of profit or loss as incurred. They are subsequently remeasured at fair value on regular basis and at each reporting date as a minimum, with all their gains and losses, realized and unrealized, recognized in the statement of profit or loss.

## 2.20 Functional and presentation currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the Company operates (the functional currency). The financial statements are presented in Pak Rupees, which is the Company's functional and presentation currency. Figures are rounded off to the nearest thousand of Pak Rupees.

## 2.21 Foreign currency transactions and translation

All monetary assets and liabilities in foreign currencies are translated into Pak Rupees at exchange rates prevailing at the reporting date. Transactions in foreign currencies are translated into Pak Rupees at exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year end exchange rates of monetary assets and liabilities denominated in foreign currencies are charged or credited to statement of profit or loss. Non-monetary assets and liabilities that are measured in terms of historical cost in a foreign currency are translated into Pak Rupees at exchange rates prevailing at the date of transaction. Non-monetary assets and liabilities denominated in foreign currency that are stated at fair value are translated into Pak Rupees at exchange rates prevailing at the date when fair values are determined.

## 2.22 Employee benefits

## **Defined contribution plan**

The Company operates a funded employees' provident fund scheme for its permanent employees. Equal monthly contributions at the rate of six percent of basic pay are made both by the Company and employees to the fund.

## **Compensated absences**

Compensated absences are accounted for in the period in which the absences are earned.

## 2.23 Borrowings

Financing and borrowings are recognized initially at fair value and are subsequently stated at amortized cost. Any difference between the proceeds and the redemption value is recognized in the statement of profit or loss over the period of the borrowings using the effective interest method.

## 2.24 Revenue recognition

### i. Sale of goods

Revenue from the sale of goods is recognised at the point in time when the customer obtains control of the goods, which is generally at the time of delivery.

### ii. Interest

Interest income is recognised as interest accrues using the effective interest method. This is a method of calculating the amortised cost of a financial asset and allocating the interest income over the relevant period using the effective interest rate, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the net carrying amount of the financial asset.

## iii. Dividend

Dividend on equity investments is recognized when right to receive the dividend is established.

### iv. Rent

Rent revenue is recognised on a straight-line basis over the lease term. Lease incentives granted are recognised as part of the rental revenue. Contingent rentals are recognised as income in the period when earned

## 2.25 Contract assets

Contract assets arise when the Company performs its performance obligations by transferring goods to a customer before the customer pays its consideration or before payment is due. Contract assets are treated as financial assets for impairment purposes.

## 2.26 Customer acquisition costs

Customer acquisition costs are capitalised as an asset where such costs are incremental to obtaining a contract with a customer and are expected to be recovered. Customer acquisition costs are amortised on a straight-line basis over the term of the contract.

Costs to obtain a contract that would have been incurred regardless of whether the contract was obtained or which are not otherwise recoverable from a customer are expensed as incurred to profit or loss. Incremental costs of obtaining a contract where the contract term is less than one year is immediately expensed to profit or loss.

### 2.27 Customer fulfilment costs

Customer fulfilment costs are capitalised as an asset when all the following are met: (i) the costs relate directly to the contract or specifically identifiable proposed contract; (ii) the costs generate or enhance resources of the Company that will be used to satisfy future performance obligations; and (iii) the costs are expected to be recovered. Customer fulfilment costs are amortised on a straight-line basis over the term of the contract.

FOR THE YEAR ENDED JUNE 30, 2023

## 2.28 Right of return assets

Right of return assets represents the right to recover inventory sold to customers and is based on an estimate of customers who may exercise their right to return the goods and claim a refund. Such rights are measured at the value at which the inventory was previously carried prior to sale, less expected recovery costs and any impairment.

## 2.29 Contract liabilities

Contract liability is the obligation of the Company to transfer goods to a customer for which the Company has received consideration from the customer. If a customer pays consideration before the Company transfers goods, a contract liability is recognized when the payment is made. Contract liabilities are recognized as revenue when the Company performs its performance obligations under the contract.

### 2.30 Refund liabilities

Refund liabilities are recognised where the Company receives consideration from a customer and expects to refund some, or all, of that consideration to the customer. A refund liability is measured at the amount of consideration received or receivable for which the Company does not expect to be entitled and is updated at the end of each reporting period for changes in circumstances. Historical data is used across product lines to estimate such returns at the time of sale based on an expected value methodology.

### 2.31 Government grants

Grants from the government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions.

Government grants relating to costs are deferred and recognised in the profit or loss over the period necessary to match them with the costs that they are intended to compensate.

Government grants relating to the purchase of property, plant and equipment are included in non-current liabilities as deferred income and are credited to profit or loss over the expected lives of the related assets.

## 2.32 Earnings per share

The Company presents earnings per share (EPS) data for its ordinary shares. EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the year.

## 2.33 Contingent assets

Contingent assets are disclosed when the Company has a possible asset that arises from past events and whose existence will only be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Contingent assets are not recognized until their realization becomes certain.

## 2.34 Contingent liabilities

Contingent liability is disclosed when the Company has a possible obligation as a result of past events whose existence will only be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Contingent liabilities are not recognized, only disclosed, unless the possibility of a future outflow of resources is considered remote. In the event that the outflow of resources associated with a contingent liability is assessed as probable, and if the size of the outflow can be reliably estimated, a provision is recognized in the financial statements.

## 2.35 Dividend and other appropriations

Dividend distribution to the Company's shareholders is recognized as a liability in the Company's financial statements in the period in which the dividends are declared and other appropriations are recognized in the periods in which these are approved by the Board of Directors.

## 3. ISSUED, SUBSCRIBED AND PAID UP SHARE CAPITAL

6.2 This represents provision for infrastructure cess imposed by the Province of Sindh through Sindh Finance Act, 1994 and its subsequent versions including the final version i.e. Sindh Development and Maintenance of Infrastructure Cess Act, 2017. The Company filed writ petition in Honourable Sindh High Court, Karachi whereby stay was granted and directions were given to provide bank guarantees in favour of Director Excise and Taxation, Karachi. The Honourable Sindh High Court, Karachi passed order dated 04 June 2021 against the Company and directed that bank guarantees should be encashed. Being aggrieved by the order, the Company along with others filed petitions for leave to appeal before Honourable Supreme Court of Pakistan against the Sindh High Court's judgment in relation to Sindh infrastructure development cess. On 01 September 2021, after hearing the petitioners, the Honourable Supreme Court dictated the order in open court granting leave to appeal to the petitioners and restraining the Sindh Government from encashing the bank guarantees furnished in pursuance of the interim orders passed by the Sindh High Court. The Honourable Supreme Court was also pleased to direct the release of future consignments subject to furnishing of bank guarantees for the disputed amount. The detail of provision is as follows:

|  | 2023 2022 (Rupees in thousand) |                 |  |
|--|--------------------------------|-----------------|--|
| Balance as on 01 July<br>Add: Provision made during the year | 16,656<br>290                  | 12,804<br>3,852 |  |
| Balance as on 30 June  | 16,946                         | 16,656          |  |

**6.3** This amount is due to Chief Executive of the Company, his spouse and his son (executive director) and has been utilized for working capital purposes. It is unsecured, interest free and repayable on demand.

- **12.1** These companies are related parties due to common directorship.
- 12.2 Crescent Jute Products Limited (CJPL) has discontinued its business since long. Securities and Exchange Commission of Pakistan (SECP) has passed an order on 17 March 2017 under section 309 read with section 305 of the Companies Ordinance, 1984 (now Companies Act 2017), authorizing the Registrar, Company Registration Office, SECP to initiate the winding up petition of CJPL. The same information has been sent to Pakistan Stock Exchange by SECP on 15 December 2017 and publically made available on the same date. Based on the above and keeping in view the financial position of CJPL, investment of the Company has been fully impaired in these financial statements.
- **12.3** The official liquidator has submitted the statement in the Lahore High Court for final liquidation of Crescent Spinning Mills Limited and the final decision is still awaited.
- **12.4** Full amount of impairment has been provided against investment in Crescent Spinning Mills Limited, Crescent Modaraba Management Company Limited and Crescent Jute Products Limited.

## 13. LONG TERM SECURITY DEPOSITS

These represent security deposits with utility companies against utility connections. These are not being carried at amortized cost, as required by IFRS 9 'Financial Instruments' as it will have immaterial impact and thus carried at historical cost.

### 33. PROVIDENT FUND

As at the reporting date, The Shams Textile Mills Limited Employees Provident Fund Trust is in the process of regularizing its investments in accordance with section 218 of the Companies Act, 2017 and the regulations formulated for this purpose by Securities and Exchange Commission of Pakistan.

|     |   | 2023 | 2022  |
|-----|---|------|-------|
| 34. | NUMBER OF EMPLOYEES                         |      |       |
|     | Number of employees as on 30 June           | 386  | 275   |
|     | Average number of employees during the year | 280  | 1,282 |

## 35. FINANCIAL RISK MANAGEMENT

### 35.1 Financial risk factors

The Company's activities expose it to a variety of financial risks: market risk (including currency risk, other price risk and interest rate risk), credit risk and liquidity risk. The Company's overall risk management programme focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the financial performance.

Risk management is carried out by the Company's finance department under policies approved by the Board of Directors (the Board). The Company's finance department evaluates and hedges financial risks. The Board provides principles for overall risk management, as well as policies covering specific areas such as currency risk, other price risk, interest rate risk, credit risk, liquidity risk and investment of excess liquidity.

## (a) Market risk

## (i) Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. Currency risk arises mainly from future commercial transactions or receivables and payables that exist due to transactions in foreign currencies.

As at the reporting date, there are no significant receivables or payables in foreign currencies. Hence, the Company is not exposed to currency risk.

## (ii) Other price risk

Other price risk represents the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk), whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instrument traded in the market. The Company is not exposed to commodity price risk since it does not hold any financial instrument based on commodity prices.

## **Sensitivity analysis**

The table below summarises the impact of increase / decrease in the Pakistan Stock Exchange (PSX) Index on the Company's equity (fair value reserve). The analysis is based on the assumption that the equity index had increased / decreased by 5% with all other variables held constant and all the Company's equity instruments moved according to the historical correlation with the index:

FOR THE YEAR ENDED JUNE 30, 2023

|  | Index | Impact on statement of comprehensive income (fair value reserve) |
|--|-------|--|
|--|-------|--|

|                   | 2023<br>(Rupees in t | 2022<br>housand) |
|-------------------|----------------------|------------------|
| PSX (5% increase) | 2,258                | 2,6301           |
| PSX (5% decrease) | (2.258)              | (2,630)          |

Equity (fair value reserve) would increase / decrease as a result of gains / losses on equity investments classified as FVTOCI.

### (iii) Interest rate risk

This represents the risk that fair value or future cash flows of a financial instrument will fluctuate because of changes in market instruments.

The Company has no long-term interest-bearing asset. The Company's interest rate risk arises from short term borrowings and bank balances in deposit accounts. Borrowings obtained at variable rates expose the Company to cash flow interest rate risk. Borrowings obtained at fixed rate expose the Company to fair value interest rate risk.

At the reporting date the interest rate profile of the Company's interest bearing financial instruments was:

|                                  | 2023<br>(Rupees in t | 2022<br><b>housand)</b> |
|----------------------------------|----------------------|-------------------------|
| Fixed rate instruments           |                      |                         |
| Financial assets                 | -                    | -                       |
| Financial liabilities            | -                    | -                       |
| Floating rate instruments        | -                    | -                       |
| Financial assets                 | -                    | -                       |
| Bank balances - deposit accounts | 17,750               | 9,279                   |
| Financial liabilities            |                      |                         |
| Short term borrowings            | 108,298              | 156,539                 |

## Fair value sensitivity analysis for fixed rate instruments

The Company does not account for any fixed rate financial assets and liabilities at fair value through profit or loss. Therefore, a change in interest rate at the reporting date would not affect profit or loss of the Company.

## Cash flow sensitivity analysis for variable rate instruments

If interest rates at the year end date, fluctuates by 1% higher / lower with all other variables held constant, loss after taxation for the year would have been Rupees 0.905 million (2022: profit after taxation for the year would have been Rupees 1.370 million lower / higher / lower mainly as a result of higher / lower interest expense on floating rate borrowings. This analysis is prepared assuming the amounts of liabilities outstanding at reporting dates were outstanding for the whole year.

## (b) Credit risk

Credit risk represents the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk at the reporting date was as follows:

|                             | 2023<br>(Rupees i | 2022<br>n thousand) |
|-----------------------------|-------------------|---------------------|
| Long term investments       | 45,150            | 52,592              |
| Long term security deposits | 7,736             | 7,736               |
| Trade debts                 | 536,089           | 903,581             |
| Advances                    | 928               | 764                 |
| Other receivables           | 10,425            | 12,652              |
| Bank balances               | 25,325            | 11,413              |
|                             | 625,653           | 988,738             |

The credit quality of financial assets that are neither past due nor impaired can be assessed by reference to external credit ratings (If available) or to historical information about counterparty default rate:

|            | Rating                                      |  | 2023  | 2022  |
|------------|---|--|---|---|
| Short Term | Long Term                                   | Agency   | (Rupees in  | thousand)   |

Due to the Company's long standing business relationships with these counterparties and after giving due consideration to their strong financial standing, the management does not expect non-performance by these counterparties on their obligations to the Company. Accordingly the credit risk is minimal.

## **Trade debts**

The Company applies the IFRS 9 simplified approach to measure expected credit losses which uses a lifetime expected loss allowance for all trade debts.

To measure the expected credit losses, trade receivables have been grouped based on shared credit risk characteristics and the days past due. These trade receivables are netted off with the collateral obtained from these customers to calculate the net exposure towards these customers. The Company has concluded that the expected loss rates for trade debts against local sales are different from the expected loss rates for trade debts against export sales.

The expected loss rates are based on the payment profiles of sales over a period of time before 30 June 2023 and the corresponding historical credit losses experienced within this period. The historical loss rates are

adjusted to reflect current and forward-looking information on macroeconomic factors affecting the ability of the customers to settle the receivables. The Company has identified the Gross Domestic Product, Unemployment, Interest and the Inflation Index of the country in which it majorly sells its goods and services to be the most relevant factors, and accordingly adjusts the historical loss rates based on expected changes in these factors.

On that basis, the loss allowance as at 30 June 2023 and 30 June 2022 was determined as follows:

| of that basis, the loss allowance as at 50 June 2025 and 50 June 2022 was determined as follows. |                    |                |                   |                    |                |                   |  |
|--|--------------------|----------------|-------------------|--------------------|----------------|-------------------|--|

## (c) Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities.

The Company manages liquidity risk by maintaining sufficient cash and the availability of funding through an adequate amount of committed credit facilities. At 30 June 2023, the Company had Rupees 991.702 million (2022: Rupees 943.461 million) available borrowing limits from financial institutions and Rupees 25.736 million (2022: Rupees 12.202 million) cash and bank balances. The management believes the liquidity risk to be low. Following are the contractual maturities of financial liabilities, including interest payments. The amount disclosed in the table are undiscounted cash flows:

Contractual maturities of financial liabilities as at 30 June 2023

## 35.4 Offsetting financial assets and financial liabilities

As on reporting date, recognized financial instruments are not subject to off setting as there are no enforceable master netting arrangements and similar agreements.

### **36. CAPITAL RISK MANAGEMENT**

The Company's objectives when managing capital are to safeguard the Company's ability to continue as a going concern in order to provide returns for shareholders and benefits for other stakeholders and to maintain an optimal capital structure to reduce the cost of capital. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, issue new shares or sell assets to reduce debt. Consistent with others in the industry and the requirements of the lenders, the Company monitors the capital structure on the basis of gearing ratio. This ratio is calculated as borrowings divided by total capital employed. Borrowings represent short term borrowings obtained by the Company as referred to in note 8. Total capital employed includes 'total equity' as shown in the statement of financial position plus 'borrowings'.

|                        |                    | 2023      | 2022      |
|------------------------|--------------------|-----------|-----------|
| Borrowings             | Rupees in thousand | 108,298   | 156,539   |
| Total equity           | Rupees in thousand | 943,701   | 1,104,435 |
| Total capital employed | Rupees in thousand | 1,051,999 | 1,260,974 |
| Gearing ratio          | Percentage         | 10.29     | 12.41     |

Decrease in gearing ratio is due to decrease in borrowings.

#### 37. UNUTILIZED CREDIT FACILITIES

| 3/. | UNUTILIZED CREDIT FACILITIES                                   |                      |                     |                        |                        |

### 38.1 Reasons for low production:

Under utilization of available capacity was due to temporary closure of Company's spining units due to low demand.

### 39. RECOGNIZED FAIR VALUE MEASUREMENTS - FINANCIAL STATEMENTS

## (i) Fair value hierarchy

Judgements and estimates are made in determining the fair values of the financial instruments that are recognised and measured at fair value in these financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the following three levels. An explanation of each level follows underneath the table.

| Recurring fair value measurements At 30 June 2023    | Level 1 | Level 2        | Level 3  | Total  |
|--|---------|----------------|----------|--------|
|  |         | (Rupees in the | ousands) |        |
| Financial assets                                     |         |                |          |        |
| Fair value through other comprehensive income        | 45,150  | -              | -        | 45,150 |
| Total financial assets                               | 45,150  | -              | -        | 45,150 |
|  |         |                |          |        |
| Recurring fair value measurements<br>At 30 June 2022 | Level 1 | Level 2        | Level 3  | Total  |
|  |         | (Rupees in tho | usands)  |        |
| Financial assets                                     |         |                |          |        |
| Fair value through other comprehensive income        | 52,592  | -              | -        | 52,592 |
| Total financial assets                               | 52,592  | -              | -        | 52,592 |

The above table does not include fair value information for financial assets and financial liabilities not measured at fair value if the carrying amounts are a reasonable approximation of fair value. Due to short term nature, carrying amounts of certain financial assets and financial liabilities are considered to be the same as their fair value. For the majority of the non-current receivables, the fair values are also not significantly different to their carrying amounts.

There were no transfers between levels 1 and 2 for recurring fair value measurements during the year. Further there was no transfer in and out of level 3 measurements.

The Company's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.

**Level 1:** The fair value of financial instruments traded in active markets (such as publicly traded derivatives, and trading and equity securities) is based on quoted market prices at the end of the reporting period. The quoted market price used for financial assets held by the Company is the current bid price. These instruments are included in level 1.

**Level 2:** The fair value of financial instruments that are not traded in an active market (for example, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

**Level 3:** If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities.

### (ii) Valuation techniques used to determine fair values

Specific valuation technique used to value financial instruments was use of quoted market prices.

## 40 DISCLOSURES BY COMPANY LISTED ON ISLAMIC INDEX

|  |              | 2023         | 2022      |
